

# 2004 LA GARRIGUE

COTEAUX DU LANGUEDOC - LA CLAPE CONTROLLEE

## VINEYARD DESCRIPTION:

Chateau Camplazens is located in the Languedoc region of France in the Sub-Appellation of La Clape. La Clape is an environmentally protected mountain overlooking the Mediterranean in which the only permitted activity is grape growing. Since purchasing the vineyard Peter and Susan Close have worked hard to establish Chateau Camplazens as a premium vineyard, with low yields, organic viticulture and modern vinification techniques. Most importantly they want the terrior of La Clape to speak for itself and show the true nature of Chateau Camplazens through its wines.

**BLEND:** 60% Syrah, 30% Grenache, 10% Carignan

**NUMBER OF CASES PRODUCED:** 1,000

## TASTING NOTES:

La Garrigue is the lightest of the three AOC reds from Chateau Camplazens. It sees less oak and is more herbaceous than La Reserve or Premium. All Camplazens wines are made to go with food. Make this your casual every day wine, from chicken casserole to a slice of pizza this wine will delight you with its versatility!
