

CHATEAU CAMPLAZENS

2000 LA RESERVE

COTEAUX DU LANGUEDOC - LA CLAPE CONTROLLEE

VINEYARD DESCRIPTION:

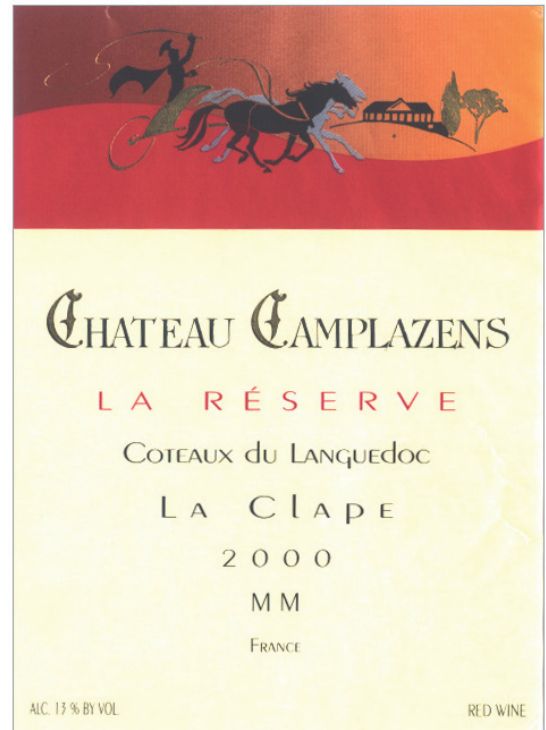

Chateau Camplazens is located in the Languedoc region of France in the Sub-Appellation of La Clape. La Clape is an environmentally protected mountain overlooking the Mediterranean in which the only permitted activity is grape growing. Since purchasing the vineyard Peter and Susan Close have worked hard to establish Chateau Camplazens as a premium vineyard, with low yields, organic viticulture and modern vinification techniques. Most importantly they want the terrior of La Clape to speak for itself and show the true nature of Chateau Camplazens through its wines.

BLEND: 75% Syrah, 20% Grenache, 5% Carignan

NUMBER OF CASES PRODUCED: 2,000

FOOD PAIRINGS:

La Reserve sees more oak than La Garrigue and is blended with more complexity to age longer. All Camplazens wines are made to go with food. La Reserve is best suited with richer dishes. This wine is divine with herbed lamb, game birds, or heavier fish dishes!

**“88 Points”- Wine Spectator
July 31st 2006**

“Well-structured red, with pretty plum, cassis and mocha flavors, which linger on the finish. Meaty elements bring added interest. Drink now though 2008.” K.M.
