

2006 GRENACHE

COTEAUX DU LANGUEDOC - LA CLAPE CONTROLLEE

VINEYARD DESCRIPTION:

Chateau Camplazens is located in the Languedoc region of France in the Sub-Appellation of La Clape. La Clape is an environmentally protected mountain overlooking the Mediterranean in which the only permitted activity is grape growing. Since purchasing the vineyard Peter and Susan Close have worked hard to establish Chateau Camplazens as a premium vineyard, with low yields, organic viticulture and modern vinification techniques. Most importantly they want the terrior of La Clape to speak for itself and show the true nature of Chateau Camplazens through its wines.

BLEND: 100% Grenache

NUMBER OF CASES PRODUCED: 800

TASTING NOTES:

The 2006 Camplazens Grenache is the second vintage of this cépage produced by Chateau Camplazens. The wine is a blend of both young and old Grenache all of which is estate grown. In keeping the yields low on this difficult grape and through careful blending Camplazens is proud to produce a 100% Grenache that can stand beautifully on its own as a fine example of the grape variety. The wine has not seen any time in oak to best express its true character.
